Sign-In Sheet attached.

The Public Hearing was called to order at 6:00 PM. Mr. Castles stated that the Finance Committee met twice to review and analyze budget. The advertisement ran for the required period of time on the CMD website and in the Chester News & Reporter.

At this time, Mr. Castles asked for public comment. There was none.

As a result of the budgeting process, CMD determined that 7% rate increase is warranted.

Mr. Castles asked again for Questions and Comments from the public.

With no further questions or comments from the public, the Hearing was closed at 6:15 PM.
